LINUS + BONNIE 'PRINCE' BILLY - THE OUTSIDER - THE MUSIC OF JULES DE CORTE

The album artwork was created by Belgian artist Ante Timmermans. A life-size woodcut was first carved and printed, creating the original image. This print was then used as a new canvas for further interventions and alterations by the artist, resulting in a layered and unique artwork.

In addition to the official cover 'THE OUTSIDER #1 for Aspen Edities', Ante Timmermans created seven unique alternative covers. Each one is a one-of-a-kind artwork, making these editions highly collectible pieces for those interested in the intersection of contemporary art, music, and printmaking.

The eight unique covers are available as collector's items.
